1. About this policy •

This policy explains how SZN. uses cookies and similar technologies on our website at sznmarketplace.com. It does not cover the SZN. mobile app. See section 4 below for how the app manages your session data.

2. What are cookies •

Cookies are small text files placed on your device when you visit a website. They help the website remember information about your visit.

3. What cookies we use •

At launch, SZN. uses strictly necessary cookies only on sznmarketplace.com. We do not use advertising cookies, tracking cookies, or analytics cookies.

Strictly necessary cookies are required for the website to function. They do things like:

- keep you logged in during a session

- help secure the website against certain types of attack

These cookies cannot be switched off without affecting how the website works. Because they are strictly necessary, we do not ask for your consent to use them.

4. The mobile app •

The SZN. mobile app does not use browser cookies. Instead, it uses session tokens and local storage to manage your login and keep the app secure. These are stored on your device and are necessary for the app to function.

For full details of how the app handles your personal data, see our Privacy Policy at sznmarketplace.com/privacy.

5. How to manage cookies •

You can control and delete cookies through your browser settings. Here is how to do it in the most common browsers.

Chrome: Settings, then Privacy and security, then Cookies and other site data.

Safari: Settings, then Safari, then Privacy and Security.

Firefox: Settings, then Privacy and Security, then Cookies and Site Data.

Edge: Settings, then Cookies and site permissions, then Cookies and site data.

Please note that disabling strictly necessary cookies may affect how the website works.
